

Federal and California Emissions Extended Warranties Parts List

All emissions-related components are covered for a minimum of 4 years or 50,000 miles, whichever comes first. The components listed, depending on location, receive extended coverage.

The **Federal** column applies to all vehicles registered and normally operated in all states

other than California, Connecticut, Massachusetts, Maine, and Vermont.

The **California** column applies to all vehicles registered and normally operated in California, Connecticut, Massachusetts, Maine, or Vermont.

In the event that additional items are added to this list, you may obtain an updated list by contacting your authorized Acura dealer or Acura Client Services (see inside front cover), or by going online to www.owners.acura.com.
