

Android Auto™

Connect a compatible Android phone to the system. Use the touchscreen to make a phone call, listen to music, and more. Visit the Android Auto™ website for more information.

1. **Maps (Navigation):** Display Google Maps and use the navigation function just as you would with your Android phone.
2. **Phone (Communication):** Make and receive phone calls as well as listen to voicemail.
3. **Google Now (Home Screen):** Display useful information organized by Android Auto into simple cards that appear just when they're needed.
4. **Music and Audio:** Play Google Play Music and music apps that are compatible with Android Auto. To switch between music apps, press this icon.
5. **Go back to the previous screen of this audio system.**
6. **Voice:** Operate Android Auto with your voice.

Tip: To prevent any potential issues, be sure of use a USB cable certified by USB-IF to be compliant with USB 2.0 Standard for Android Auto™.

Depending on use, Android Auto can share certain vehicle information (e.g., vehicle location, speed, and other operating conditions) with Google and its service providers. See Google privacy policy for details regarding Google's use and handling of data uploaded by Android Auto. Use of Android Auto is at user's own risk, and is subject to agreement to the Android Auto terms of use, which are presented to the user when the Android Auto application is downloaded to the user's Android phone. Android Auto vehicle integration is provided "as is," and Acura cannot guarantee Android Auto operability or functionality now or in the future due to, among other conditions, changes in Android Auto software/Android operating system, service interruptions, or incompatibility or obsolescence of vehicle-integrated hardware or software. See dealer for details. Only use Android Auto when conditions allow you to do so safely. See your Owner's Manual at owners.acura.com (U.S.) or acura.ca (Canada) for further license and warranty terms.
