

VOICE RECOGNITION (Tech models)

To keep your eyes on the road and hands on the wheel, use voice commands for hands-free calling, navigation, audio, climate control, and AcuraLink functions. For a full list of commands, say "Info" and "Voice Help."

Key Functions Operational by Voice Command

Control five different systems with the steering wheel buttons and the ceiling microphone.

AUDIO p. 17

Using the Voice Command System

❖ Base Models

HFL Talk button: Give HFL commands and answer incoming calls.

HFL Back button: Cancel a command and end or decline a call.

❖ Tech Models

Pick-Up button: Answer an incoming call, or go directly to the Cellular Phone screen.

Hang-Up button: End a call or decline a call.

Talk button: Give HFL, navigation, audio, climate control, or AcuraLink commands.

Back button: Cancel a command and return to the previous screen.

Voice Command Tips

- To hear a list of available commands at any time, press and release the Talk button, then **say** "Help."
- When using the Talk button, wait for a beep, then give a command.
- Speak in a clear, natural voice.
- Reduce all background noise.
- Adjust the dashboard and side vents away from the microphone in the ceiling.
- Close the windows.

Commonly Used Voice Commands

Here are some examples of commonly used voice commands. Try some of these to familiarize yourself with the voice command system.

Press and release the Talk button before you give a command.

❖ Look for Restaurants Near Your Location

Say a command like "Display restaurants" to see restaurant icons appear on the map.

❖ Make Audio Selections

Say a command like "Radio 97.1 FM" or "CD play track 5" to select that station or song.

❖ Adjust Vehicle's Climate Setting

Say a command like "Air conditioner on" and "Fan speed 4" to adjust the climate setting.

❖ Get Estimated Distance to Destination

After a destination is entered, **say** "How far to destination?" to hear the remaining distance.

Commonly Used Voice Commands (continued)

Press and release the Talk button before you give a command.
