

# PANDORA®

Play and operate Pandora internet radio from your iPhone® through your vehicle's audio system. Standard data rates apply.

## Playing Pandora

1. **Open** the front console, and **pull out** the USB adapter cable.

**Connect** the cable to your iPhone dock connector.

2. **Open** Pandora from your phone. **Press** AUX until Pandora appears and streaming begins.

### Notes:

- If the Pandora app is not selected on your phone, iPod music is played.
- If you shut down the Pandora app, you must reopen it on your phone to resume play.
- If you cannot operate Pandora through the audio system, it may be streaming through *Bluetooth®* Audio. Make sure to select Pandora mode on the audio system.

3. **Press** the selector knob to enter the Pandora menu.

You can select items such as the Station List, SKIP, Like/Dislike, and Pause/Resume.\*

*\*Menu functions not available on all phones*
