

NAVIGATION

Real-time navigation system uses GPS and a map database to show your current location and help guide you to a desired destination. *Available with Technology and Advance Packages.*

Entering a Destination Using Voice Commands

For information on setting other destination options, see your Navigation Manual.

Entering a Street Address

Press and release the Talk button before you say a command.

1. Say "Address."
2. Say "Street," then say the street name on the next screen. Do not include the direction (N, S, E, W) or type (St., Ave., Blvd., etc.).
3. A list of street names appears. Say the number next to the street you want to select.
4. Say the entire street address number. For example, "1-2-3-4." If necessary, say "OK" to proceed.
5. If the street address is in more than one city, a list of city names appears. Say the number next to the city you want to select.
6. Say "Set as destination" to set the route.

Using the "Find Nearest" Command

Press and release the Talk button before you say a command.

1. Say "Find nearest ATM."
2. A list of the nearest ATMs in your area is displayed by shortest distance to destination.
3. Say the number next to the destination you want to select.
4. Say "Set as destination" to set the route.

Note: It is recommended that you enter your destination before driving or when the vehicle is stopped.

AcuraLink Real-Time Traffic™*

Provides continuously updated information, including traffic speed, incidents, and construction in major metro areas.

Press and release the Talk button before you say a command.

Displaying Traffic Information

Say "Display traffic" to view traffic flow and incident icons.

- Heavy traffic
- Moderate traffic
- Free-flow traffic

Note: Traffic flow and incident icons are displayed on map scales of 5 miles (8 km) or less.

Incident Icons

- Incident
- Road closed
- Congestion
- Weather
- Construction

Traffic Rerouting™

The system can automatically provide detours around traffic or incidents when a destination is set and Traffic Rerouting is turned on in Navi Settings, or you can manually reroute.

1. Say "Display traffic on my route" to view a list of incidents on your route.
2. Say the number of the incident you want to avoid.
3. Say "Avoid" and the incident list returns.
4. Say "Recalculate route" to set the new route.

*AcuraLink subscription service (complimentary for the first three years of vehicle ownership)

Map Screen Legend

Turn-by-Turn Directions

Shows a more detailed view of the next maneuver during route guidance on the multi-information display. See your Owner's Manual for instructions on how to turn this feature on or off.

Driver Distraction

To reduce the potential for driver distraction, certain functions may be inoperable or grayed out while the vehicle is moving. You may have to use voice commands, stop or pull over to perform the function.

The chart below shows a list of some operations that are restricted while the vehicle is moving.
