Model Year	2014-2017	2015-2017	2016-2017	2014-2016	2014 & 2016	2016-2017	2017

Wireless providers are sunsetting the CDMA (3G) wireless network that supports AcuraLink. When the sunset is complete, the AcuraLink services in this Acura model may no longer be available. To check if your vehicle is affected by the wireless sunset, go to AcuraLink.com, select your model and model year, and enter your VIN in the *Wireless Sunset VIN Check*.
