

## SMS Text Messaging and E-Mail\*1

Certain phones can receive and send text messages and e-mails while paired and linked. Visit [www.acura.com/handsfreelink](http://www.acura.com/handsfreelink) (U.S.) or [www.handsfreelink.ca](http://www.handsfreelink.ca) (Canada) to check phone compatibility. Standard message rates apply. This feature is limited while the vehicle is moving.
